**Date:** Thursday 15 October 2020

**Time:** 10-11am

**Hosted by:** Base Quantum on Zoom

For our second panel discussion, we are pleased to be joined by panellists that have an insight into the case *John Doyle Construction Ltd v Erith Contractors Ltd*.

Base's, Duncan Hughes-Phillips, the Quantum Expert involved in the original case and Barry Menzies of Erith will be discussing the decisions that an organisation like Erith has to make during an adjudication with an insolvent party, in order to protect themselves.

We will be speaking to Edward Shaw of DLA Piper about the legal implications of the case and the wider implications of allowing organisations in liquidation to adjudicate.

There will be the opportunity to ask questions throughout the webinar.
